4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE.

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

STAINS PHONE

Take care when using a ball-point pen near your telephone, especially if it is a light colored one. Ink on the plastic cover or the cord leaves a permanent mark.
