Shut the fireplace damper when not in use. You can lose up to 20% of the warm air in your house per hour if it's left open.

If your business is not represented in the YELLOW PAGES you may be missing your share of the business in your line.

People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

If you need help quickly, the Classified Telephone Directory is the place to look. Roofers, painters, plumbers, and thousands of other services and dealers are listed in the Classified Telephone Directory for quick reference.
