It's easier to understand
and jot down numbers too,
if they are spoken in
sequence with pauses
between groups of numer-
als. For instance, in read-
ing aloud the telephone
number of our business of-
fice, we would say, Two
two four (pause) six two,
six one."

**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once
promptness often prevents loss of a
customer.

You can build closer relations with
customers.

You can use tact in delicate situations.
And because men talk more freely
than they write, you can frequently
trace the real reason for the com-
plaint and prevent similar complaints
in the future.
