

Look in the *Yellow Pages*

WHEN repairing of any kind is needed

Whether it's the roof, the automobile, plumbing, electrical, refrigerator, radio, vacuum cleaner, washing machine or any one of a hundred things, you'll find the service you want when you look in the **Yellow Pages**.

WHEN a name recommended has been forgotten

You remember the recommendation but don't recall the name. If you will look in the **Yellow Pages** you will probably recognize the name when you see it.

WHEN looking for a dealer in your neighborhood

Time and effort may be saved if the article or service you want to buy can be found in your neighborhood. You'll find the location of your nearest dealer in the **Yellow Pages**.

WHEN you want to locate an
AUTHORIZED sales and service dealer

When you want the "genuine" in a nationally advertised product or service, the **Yellow Pages** will tell you where to buy it.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.
