Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once.
Promptness often prevents loss of a
customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

Behind on orders? Let
handy **YELLOW PAGES**
introduce the suppliers
you need. It's fast convenient.

Wise buyers say
there's nothing like the
YELLOW PAGES of your
telephone book for getting
in touch with almost every-
one around who sells
things, fixes things, does
things. Try the **YELLOW
PAGES** once . . . you'll use
them often.
