THE NATIONAL FORCE IN CLEANING FROM COAST TO COAST

WARNING!

So-called "steam" cleaning methods can be injurious to your fine carpet. If steam (212°F) were used it would be ruinous! Actually, what is used is just hot water, sometimes with added detergent. And water left in carpet is often harmful — causing mildew, shrinkage and browning, injuring carpet fibers, backing, under pad and flooring. Tests show up to 6 gallons of liquid left in a 9' x 12' area. That's a whole lot of liquid! Such soggy carpet can take as much as 9 hours for even the surface to dry! And that still leaves the backing, under pad and floor damp! So you would be well advised to play it safe by using the method recommended by leading carpet manufacturers —

Before having your CARPET CLEANED know this:

In serving you we use the Von Schrader Carpet Deterger/Extractor proven by more than 40 years of experience. It deposits dry foam (not liquid), brushes it deep into the pile and vacuums the soiled foam back into the machine. The dirt, engulfed in foam, is removed simultaneously before it can sink back down into the carpet. Result: your carpet is cleaned thoroughly, not superficially. Since only foam is used, carpet is ready for use in about an hour. Shrinkage, mildew and browning (often resulting from "steam" or other hot water extraction methods) are eliminated. Von Schrader is the only single unit that both shampoos and vacuums in just one pass. It's patented.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Telephone service is a friendly
service. The people who op-
erate and maintain it take a
genuine satisfaction in serving
you pleasantly and well. People
who use the telephone a great
deal find that friendliness is an
instinctive habit. The telephone
helps folks to know each other
better.
