Communications Solutions for Alberta Business from AGT.

Call on AGT for solutions to your business communications needs!

Our communications specialists will work with you to design a solution that calls on the most advanced telecommunications in the world. Solutions that provide the added value of AGT's worldwide network and a range of equipment, service and maintenance packages to address your unique business requirements.

AGT's range of Service Packages and predictable, clearly-explained-charges take the "surprise" out of emergency repairs or regular maintenance. And you'll receive the same concerned attention whether or not your voice and data equipment was purchased from AGT.

Call on AGT. We have the communication solutions for Alberta businesses.

Telephone service is a friendly
service. The people who op-
erate and maintain it take a
genuine satisfaction in serving
you pleasantly and well. People
who use the telephone a great
deal find that friendliness is an
instinctive habit. The telephone
helps folks to know each other
better.

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

Telephone service is a friendly
service. The people who op-
erate and maintain it take a
genuine satisfaction in serving
you pleasantly and well. People
who use the telephone a great
deal find that friendliness is an
instinctive habit. The telephone
helps folks to know each other
better.
