

Advertiser Beware...

A number of "classified advertising directory" firms send out mailings to Alberta businesses. Some of these firms actually include a cut-out of an ad taken out of our *Yellow Pages™* directory.

Beware of Imitators

- ◆ Classified Business Pages
- ◆ Classified Directory Publishers
- ◆ NTELE - Directory
- ◆ Telepages Inc

These firms and others like them, are in no way associated with any of the TELUS group of companies nor the telephone directories published by our company.

Some of the ways you can detect the difference between an imitator and our company:

TELUS Advertising Services

-  does not send out a solicitation form which resembles an invoice,
-  does not, under normal circumstances, request payment in advance of publishing,
-  does not request payments to be sent out of province

Telus Advertising Services provides directories to all telephone subscribers, not just those who advertise.

Exercise caution and read the material carefully. If in doubt, please call our *Yellow Pages™* customer service number

Calgary (403) 530-5400 or 1-800-661-4260 (toll free).

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.
