Your business will profit when you call on the knowledge and expertise of a TELUS Account Representative. You'll minimize costs and maximize value with the TELUS savings plan that best meets your needs.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Telephone service is a friendly
service. The people who op-
erate and maintain it take a
genuine satisfaction in serving
you pleasantly and well. People
who use the telephone a great
deal find that friendliness is an
instinctive habit. The telephone
helps folks to know each other
better.
