Ads in the TELUS directories work hard for your business – 24 hours a day, 365 days a year. No other advertising medium is so well positioned to be in the right place at the right time. And, since TELUS directories are found in virtually every home and business in Alberta, your business is reaching virtually everyone.

You can also reach more buyers with TELUS coupons, banner ads and features like the Internet Guide, which offer more advertising choices for you and increased exposure to potential customers.

TELUS directories also get used on a regular basis. Research shows Albertans use their TELUS directories, on average, 3 times a week.* Take advantage of one of the best advertising mediums available.
