EASE YOUR EYES

Seamstresses should take a few minutes off each half hour for the sake of their eyes. Close work over a long period of time can put a strain on eyes and one way to lessen the fatigue is to glance off into the distance for a moment every now and then.

DE-MOTH YOUR RUGS

When placing a new wool rug, remember
that moths don't like salt. Secret is to scrub
the floor with a strong solution of hot water
and salt just before laying the carpet.
