STAINS PHONE

Take care when using a ball-point pen near your telephone, especially if it is a light colored one. Ink on the plastic cover or the cord leaves a permanent mark.

HUMIDIFICATION

Humidifying a dry home can cut down on heating bills as well as make it a more comfortable, healthful environment and extend furniture life.

HATE DUST?

Rainbow
— "the machine of
tomorrow-today!"

It's a dreadful nuisance isn't it?
And the harder you work the
more dust you seem to have.
Isn't that a fact? Put an end to
this vicious circle. See how the
Rainbow traps dust in water and
how you can pour it out of your
home forever. There are no
filters or bags to buy, either.

When you call someone, give
them time to reach the tele-
phone. You know how you
feel when you just miss a call,
so wait a few seconds longer
when you ring. You never
know, they may just be reach-
ing for the phone when you
hang up.

LOW TEMPERATURE

Always fry eggs at a low temperature, preferably in a heavy pan because heat is distributed more evenly.

WINTER DRIVING

A couple of sandbags in the trunk is a good idea in winter — they add weight and the sand can also be used to give you traction on ice.

Telephone calls used to be a scream but today, a normal voice will do. The difference is improved transmission - better ways to get your voice from here to there. Simply talk in a normal tone of voice into the receiver and your words will go a long way.

RIGHT WAY

Before dialing, look up the number
if you're in doubt.
If it's not listed, ask "Information."
