4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
 Promptness often prevents loss of
 a customer.
 You can build closer relations with
 customers.
 You can use tact in delicate situa-
 tions. And because people talk more
 freely than they write, you can fre-
 quently trace the real reason for the
 complaint and prevent similar com-
 plaints in the future.

day — with an advertisement
in the Yellow Pages, you can
reach more prospective cus-
tomers by advertising in this
handy buyer's guide. Thou-
sands of people regularly
use the Yellow Pages as an
answer to their buying needs.

If you have a product to
sell, or a service to offer,
here's the place to tell your
prospects about it.

Behind on orders? Let
handy YELLOW PAGES
introduce the suppliers
you need. It's fast convenient.

Wise buyers say
there's nothing like the
YELLOW PAGES of your
telephone book for getting
in touch with almost every-
one around who sells
things, fixes things, does
things. Try the YELLOW
PAGES once . . . you'll use
them often.
