Telephone service is a friendly  
 service. The people who oper-  
 ate and maintain it take a  
 genuine satisfaction in serving  
 you pleasantly and well. People  
 who use the telephone a great  
 deal find that friendliness is an  
 instinctive habit. The telephone  
 helps folks to know each other  
 better.

Don't forget to plan for  
 concealed telephone conduit  
 and convenient locations  
 for telephone outlets  
 when you build your new  
 home. These built-in tele-  
 phone facilities add real  
 value to a home yet their  
 cost is very small if they  
 are installed during

I found Aastro Transmission is a highly-sophisticated, large volume operation frequently used by local companies like taxi firms, car rental agencies and auto dealers. Aastro, equipped with a \$50,000 Dyno-Tester transmission testing machine, charges as little as \$269 for a rebuilt transmission

Don't forget to plan for  
concealed telephone conduit  
and convenient locations  
for telephone outlets  
when you build your new  
home. These built-in tele-  
phone facilities add real  
value to a home yet their  
cost is very small if they  
are installed during  
construction.
