COURTNEY'S FUNERAL SERVICES LTD.

Values of the Funeral

Occasionally, we're asked the question, "What benefits does the funeral service offer?"

More than anything else, the funeral is for the living. It's our way of saying goodbye, giving recognition to a life that was important to us.

Saying goodbye is very difficult. However, it's the first important step in accepting the reality of death, and recognizing that life still has meaning for those who remain.

If you would like more information on funerals and their value to the living, or pre-arranging your loved one's service, please don't hesitate to call.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.
