4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.
You can build closer relations with
customers.
You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

Why not check into the sales-building possibilities of the Yellow Pages? Call the business office for information about advertising in the Yellow Pages. Your advertisement in the Yellow Pages reaches prospective customers when they are ready to buy. When they know what they want - but not where to get it - they turn to these Yellow Pages.

Who makes it —
Who sells it —
Who services it —
These YELLOW PAGES list them all conveniently by business classification.

COURTNEY'S FUNERAL SERVICES LTD.

Occasionally, we're asked the question, "What benefits does the funeral service offer?"

More than anything else, the funeral is for the living. It's our way of saying goodbye, giving recognition to a life that was important to us.

Saying goodbye is very difficult. However, it's the first important step in accepting the reality of death, and recognizing that life still has meaning for those who remain.

If you would like more information on funerals and their value to the living, please don't hesitate to call.

4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

Behind on orders? Let
handy Yellow Pages
introduce the suppliers
you need. It's fast convenient.

Wise buyers say
there's nothing like the
YELLOW PAGES of your
telephone book for getting
in touch with almost every-
one around who sells
things, fixes things, does
things. Try the YELLOW
PAGES once . . . you'll use
them often.

Look in the yellow
pages index first.

The index has many cross
references which help you
find the services you are
looking for. For example, if
"Doctors" comes to mind,
our cross reference will
refer you to
Physicians & Surgeons.
