**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions.

And because people talk more freely
than they write. You can frequently
trace the real reason for the com-
plaint and prevent similar complaints
in the future.

**Look in the yellow
pages index first.**

The index has many cross
references which help you
find the services you are
looking for. For example, if
"Doctors" comes to mind,
our cross reference will
refer you to
Physicians & Surgeons.
