People who are ready to buy turn first to the "Yellow Pages." If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

NATIONAL "YELLOW PAGES™" ADVERTISING

With AGT Yellow Pages™ and Canadian Yellow Pages™ Service (CANYPS), you can send your advertising message right across North America. CANYPS has access to over 6000 directories allowing you the opportunity to gain national and international coverage and exposure to your business. CANYPS is a service provided by AGT Yellow Pages™ and offers you the convenience of dealing with one advertising consultant as opposed to dealing with each company individually.
