4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once. Promptness often prevents loss of a customer.
You can build closer relations with customers.
You can use tact in delicate situations. And because people talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Looking for the right financial expert?

Call us first. We're the governing body of the CA profession and all of Alberta's 6,300 Chartered Accountants are registered with us. We would be pleased to refer you to three chartered accounting firms in your area which can provide the services you need.
