*Think it over,  
the decision  
becomes clear...*

Telephone service is a friendly  
service. The people who op-  
erate and maintain it take a  
genuine satisfaction in serving  
you pleasantly and well. People  
who use the telephone a great  
deal find that friendliness is an  
instinctive habit. The telephone  
helps folks to know each other  
better.

# Yellow Pages™ Media

## Television, radio, and newspapers. Outdoor, magazines and direct mail.

In your advertising line-up, these media can either creatively stimulate customer interest or increase their desire to buy...or both. But these steps are only part of the story!

The Power of Yellow is the crucial last step in the process...the step that directs people where to buy when they are ready to make their purchases.

After the rest of your advertising has faded from view, the Power of Yellow still works!

No other medium brings buyers and sellers together like the *Yellow Pages™*.
