People who are ready to buy turn first to the "Yellow Pages™". If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages™" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.
