# A PERSONAL SERVICE TO OUR CUSTOMERS

*We desire to install or move your telephone just when you want it.*

EVERY man and woman in the telephone organization wants you to feel that your interests are their interests—that your service is their personal consideration.

For example, when you would like to have your telephone installed or moved at a specific time. Unless an exceptional problem is involved, we can do this work in accord with your wishes. So, if you can tell us when you will move into the new home or the new business quarters, we will have your telephone ready and waiting.

Just say to our business office, "I would like to have my telephone installed by such-and-such a day."

The men who make installations are gentlemen. They try very earnestly to make as little upset as possible—even spreading paper on the floor where tools are being used.

You can count on our whole-hearted cooperation.
