## ILL-HEALTH HAS A CAUSE-- IT IS THE SPINE HERE IS THE SECRET

From difficult, or instrumental births, falls, sudden jars and slips, accidents, etc., the head and upper spinal bones become twisted and misaligned, twisting, straining or compressing the spinal cord, which is a delicate cable composed of billions of nerve fibres, and in various ways, interferes with normal transmission of nerve impulses from the brain to the body tissue cells, thus preventing nature from maintaining health, then ease becomes dis-ease.

Don't let ill-heath ruin  
your life—you can be well

**TELEPHONE"**

Many times each day people call telephones which have been discontinued and the operator tells them, "I'm sorry, there is no telephone listed for Mr. Blank!"

Are you among those who cannot be reached? Think what these undelivered messages represent . . . Important news . . . invitations . . . business opportunities, all lost for the lack of a telephone.

**A home telephone costs only a few cents a day.  
Why deprive yourself of this great convenience?**
