John Lost the Order—

John Jones was manager of the National Implement Co. One day a Directory Advertising salesman called on John to sell him directory service. John was busy and wouldn't take time to listen. The salesman left without the order, and the National's listing in the Directory read:

6546 National Implement Co 642 McDonald Ave

One day a busy farmer customer came to town to buy an implement he needed in a hurry. It was after office hours when he arrived and he had to leave early next morning. There was nothing in the phone book to indicate where he might find any person connected with the National Co. He ordered from a rival firm and when he arrived home he wrote and told the National Co. his story. Now there is a listing in the Directory that reads:

6546 **NATIONAL IMPLEMENT CO**
642 McDonald Ave
4836 Manager's res John Jones
6 Riverside Apts

DRESS IT UP—

YOU would not employ a salesman who wore dirty linen, went a week without shaving, never shined his shoes and looked down-at-the-heel all round. You wouldn't want your business represented that way.

Every piece of printing that bears your name is representing you. Can you afford to have anything but the best?
