dividends!*

Experienced ducks and duck-hunters know that the first requisite to success with wary, feathered, little blokes is a good duck blind . . . in other words, complete coverage.

And so it is with Yellow Pages advertising. The advertiser who represents his firm under all appropriate headings — has complete coverage — assures himself of maximum results.

Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in a strong salt solution and wrung out to remove excess moisture.
