Extension telephones in the kitchen, den, bedroom or laundry room take the "run" out of running a home. When the telephone rings, you're there!

MORE INSTANT COFFEE USED

Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.
