Recycling
Symbol

Recycle Today For Our Children's Tomorrow

TELUS has made recycling a commitment in Alberta and we're encouraging Albertans to help. Our goal is to continue to reduce the number of phone books that are going into the landfills.

Together, we can help the ecosystem of our province, the future of our children, and support our communities.

Who would have thought recycling a phone book could do so much!

DID YOU KNOW...

TELUS Advertising Services supports both the Alberta Children's Hospital and the Children's Health Foundation of Northern Alberta through a donation made annually on the Children's Miracle Network Telethon based on recovery of old phone books through the TELUS Recycling Program.

In addition to the donation to the hospitals, TELUS pays registered non-profit organizations to collect and recycle phone books.

ALSO...

Directory paper used in TELUS directories contains a minimum of 25% recycled fiber.

AND THAT...

Most directories are turned back into pulp to print new directories supporting the cradle to cradle process.

OTHER INNOVATIVE USES...

- Farms across Alberta utilize old phone books for animal bedding, composting, and various other uses.
- Old phone books are also used to produce building products, food trays, and art projects.
- As well, they are great for propping up your computer monitor or to use as a booster seat.

For more information on where to recycle your old phone book refer to the Directory Recycling Guide following the x-y-z section of the TELUS directory, visit us on the internet at www.alberta.com or contact TELUS Advertising Services, Distribution & Recycling Consultant at 1-800-661-4260.
