A HEAVY LOAD

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.

MATCH UP

Check the design of lace before
cutting a pattern. If it consists of
regular repeats it should be
matched at seams as one
matches stripes or plaids.
