PREVENT COLORING

Potatoes turn green when they
are exposed to too much light
during storage, says a publication
of the Alberta Potato
Commission. It advises that
potatoes should be stored in a
dark, cool place.

CARPET HINT

Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in a strong salt solution and wrung out to remove excess moisture.

"TAN YOUR HIDE?"

Tanners use the term "hide" when referring to a whole pelt from one of the larger animals — Cattle, horse and so on. They use the term "skin" when referring to the pelt from a young or small animal — sheep, calf, pig.
