## Schedule of Rates for Service

(Exclusive of Private Branch Exchange Equipment)

### INSTALLATION CHARGES

A service connection charge covering a portion of the average cost of the initial expense of establishing service for new subscribers and of furnishing additional facilities to old subscribers shall be as follows:

- (a) For individual or exchange party line service, or extension set ..... \$3.50
- (b) For each extension bell..... \$2.00
- (c) To cover directory, accounting circuit and switchboard expenses in cases where service is established by the use of instruments and lines already in place in the subscriber's premises and no change is made in the type or location of such instruments ..... \$1.50
- (d) To reconnect service when discontinued for non-payment of account..... \$1.00
- (e) When it is necessary to erect poles or anchors in order to carry the wires from the main telephone line on the road allowance or street to the applicant's premises, such poles and anchors in connection therewith will be supplied and erected by the department at the expense of the applicant.

### Excess Mileage-Exchange

The excess mileage rate for Exchange Service shall be 50c. per month for each quarter-mile or fraction thereof.

### MONTHLY CHARGES

- (1) From one position to another in same room \$1.00 per instrument
- (2) From one room to another on same floor, or from one floor to another in same building, no outside wiring being required..... \$2.00 per instrument
- (3) From one building to another..... \$3.50 per instrument
- (4) Where a telephone is already installed and no inside move is required, a charge of \$1.50, will be made to cover cost of transferring the wires in central office and changing number on switchboard.
- (5) Where the above rates do not apply, an estimate of cost will be furnished subscriber on request, previous to work being proceeded with

### MONTHLY RENTAL RATES
