DIRECTORY ADVERTISING

*Every Telephone in Alberta
has a Directory by its side
every day of the year.*

The Directory is used thousands of times daily.

It is never thrown into the waste-paper basket until a new edition is issued. Probably no other publication can make a like claim to continuity of circulation.

The Telephone Directory is used for innumerable purposes—general information, correct spelling of names, street addresses, buying and selling, etc.

There are many ways in which the Directory may become of additional service to subscribers—extra listings may be arranged for, by which a subscriber to Exchange Business Service may have the names of any companies he represents, or of any employee or agent, listed in the Directory, at a nominal charge, and a subscriber to Exchange Residence Service may have the name of a bona-fide member of his family listed in the Directory for one dollar per line per issue.

The following Directories are issued by the Alberta Government Telephones: Calgary and District, Edmonton and District, Northern Division, Lethbridge and District, Medicine Hat and District, Peace River District.

Our low rates and the ever-increasing circulation of the books render Telephone Directory Advertising the cheapest and most effective form of publicity you can buy.

For further particulars and rates apply to the Local Manager.

Modern Business Demands Speed

No need to drive horses. They're too slow. Modern travel is by automobile. Yet there is a quicker way to reach your customers. They are as near as your telephone. Long distance telephone charges are so low that a business man can no longer afford to spend an hour driving over the country when he can talk to his customers right in his own office or store. Modern business demands the use of the telephone. The telephone builds modern business. Keep it working for you.
