LONG DISTANCE SERVICE

RULES AND REGULATIONS

(a) If you desire Station-to-Station service, call "Long Distance" in the regular way. When the Long Distance operator answers, give the number of the telephone from which you are speaking and say, "I want to speak to (telephone number) (terminating office) or, if the telephone number desired is not known, you will obtain the Station-to-Station rate by saying to our Long Distance operator, "I want to speak to (called party's residence or office), (terminating office). Anyone at that number will do."

(b) If you desire to reach a particular person at a certain telephone number or address, call "Long Distance" in the regular way. When the Long Distance operator answers give the number of the telephone from which you are speaking, also your name and initials, together with the initials and name of the particular person desired and the city or town where he can be located.

(c) If you desire to place an appointment or messenger call, or transmit a written message or telegram, call "Long Distance" in the regular way and give your order as heretofore.

Long Distance Charges—All rates quoted are for an initial period of three minutes. For overtime beyond the initial period a proportionate charge is made per minute.

Long Distance Tolls will be charged to the subscriber from whose instrument the Long Distance Call is placed.

Night Rates—Night Rates apply only to Station-to-Station calls.

Reversal of Charges—All charges will be made against the Originating Office except those messages for which the receiving party expressly agrees to pay. The assent of the receiving party to a reversal of charges should be obtained before the connection is established.

Messenger Service—Upon request, and the prepayment of reasonable charges, a messenger will be sent when possible to notify a non-subscriber to come to any Public Pay Station.

When a particular person is desired, the Long Distance operator must be so advised when the call is placed, otherwise charges will be made from the time connection is established with the telephone desired, whether the party required is obtained or not.

COMPLAINTS: Complaints regarding telephone trouble and unsatisfactory service should be made to the Local Manager, Agent or Chief Operator at the office concerned, and if not rectified within a reasonable time, the matter should be referred to the General Traffic Superintendent at Edmonton.

If there is anything about our rates and practices you do not fully understand, please call your Local Manager or Chief Operator and they will be glad to explain.
