YOU'LL NOTICE A DIFFERENCE IN 'THE BOOK' THIS YEAR.

(It has slightly thinner pages.
But it still packs the same punch.)

Why are the pages of your AGT telephone directory a little thinner this year?

Convenience. Conservation.

As Alberta grows, so grows the phone directory. It has increased listings and information for most areas.

The thinner pages keep the phone book manageable in size. They can also help our forests to stay thicker.

Frequent users: If you find that your phone book is being run a little ragged, phone your AGT business office about a replacement.

But please don't throw your old copy away. Save it for recycling.

Keeps you in touch with your friends
