PHONE AROUND...
DON'T RUSH AROUND.

TELEPHONE SECURITY

ANNOYANCE TELEPHONE CALLS

Here's what to do about obscene or harassing phone calls:

- 1 DON'T TALK.** Don't keep talking to the caller. What they really want is an audience. Don't be that audience.
- 2 HANG UP.** Hang up if the caller doesn't say anything. Hang up at the first obscene word. If they do not identify themselves to your satisfaction, hang up. Do it quietly, don't display your emotions or alarm.
- 3 CALL US.** If these obscene or harassing calls persist, call our nearest Business Office - you'll find the listing on page 1 of your directory under "Frequently Called AGT Numbers". After normal business hours please dial '0' (Zero) and report the matter to the Operator.

The Criminal Code provides up to six months in prison and \$500.00 in fines for making an obscene or harassing calls. We also retain the right to disconnect or remove the phone service of anyone making such calls. We want you to know that we're doing all we can to help you and your family.

IDENTIFICATION OF AGT EMPLOYEES

For your protection, every AGT employee carries a photo identification card. The plastic laminated card bears the company name plus the employee's photograph, description and signature. If in doubt, ask to see this I.D. Card. Any genuine AGT employee will show it to you without hesitation.

THE 'BEEP' TONE

If you hear a short beep tone about every 15 seconds it indicates that the person to whom you are talking is recording your conversation with an electrical recording machine connected to the line. The beep signal is produced automatically by a device which connects the recorder to the telephone line and is provided by AGT for your protection. If you do not want your conversation to be recorded ask the person to whom you are talking to disconnect his recording machine. When this is done the signal is no longer heard. Use of a recorder without the beep signal is not permitted.

LONG DISTANCE CARD SECURITY

Protect your long distance card. If it is lost or stolen, report this immediately to your AGT Business Office. We'll cancel the card and issue a new one promptly.

THE WRONG WAY TO 'FOIL' BURGLARS

Leaving the phone off the hook may alert burglars that you're not home! A continual busy signal is a give-away. Lights and radios left on are better ways to discourage break-ins.
