DANGER!

Charcoal fires produce carbon monoxide. In case of rain while doing outdoor cooking, do not drag the charcoal cooker inside a closed garage or porch. The biggest enemy of carbon monoxide is fresh air.

**4 GOOD REASONS
FOR HANDLING COMPLAINTS
BY LONG DISTANCE**

- 1 You can talk over matters at once — promptness often prevents loss of a customer.
- 2 You can use tact in delicate situations.
- 3 You can build closer relations with customers.
- 4 And because men talk more freely than they write, you can frequently trace the real reason for the complaint — and prevent similar complaints in the future.
