

INFORMATION CONCERNING THE NEW POSTAL CODE SYSTEM

The Postal CODE is composed of both letters and numbers, in the form of ANA NAN, where "A" represents a letter of the alphabet, and "N" a number.

There is a space separating the first three characters, called Area Designator, from the last three, the Local Designator.

Once you have been given your Postal CODE, it is a permanent part of your address. Your Postal CODE will change only if you move.

ADDRESS CORRECTLY

Return address ensures prompt return in case of non-delivery.

Proper prepayment prevents delay in delivery.

<p>Mr. L. W. Jones Suite 530 147 Laurier Ave. W. Ottawa, Ontario K1P 5J2</p>	 <p>Mr. W. M. Smith Apartment 5 150 Nepean St. OTTAWA, Ontario K2P 0B6</p>
--	---

Always give full details of street address, apartment number and name of Post Office. Also include the postal code where applicable.

POSTAL POINTERS

- 1) Address your mail fully, clearly and without misleading abbreviations.
- 2) Be sure to include apartment or suite number in address.
- 3) Place your return address in the upper left corner.
- 4) Give your correspondents your correct postal address including your postal CODE.
- 5) Never enclose coins or other hard objects in letters.
- 6) Send remittances by Post Office Money Order.
- 7) Properly pack parcels.
- 8) Place postage stamps in upper right corner. Prepay postage fully.
- 9) Insure your parcels and register letters of value.
- 10) Mail early and often. Mail deferred until the last moment may miss early despatches.
