Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

STAINED CHINA CLEANER

If china and earthenware become stained or discoloured, use salt moistened with water to rub them clean. Stained vases and bottles respond to a cleansing solution of salt and vinegar. Let stand for a few hours, shake vigorously and rinse with clean water.
