**SCRATCHED WOODWORK**

One way to repair deeply scratched woodwork is by filling the scratches with a mixture of fine sawdust and spar varnish. After this filling has hardened completely, smooth it down with fine sandpaper.

**A HEAVY LOAD**

Shoppers each year carry some 1,400 pounds of groceries home for each person in the family. The load, however, is about 100 pounds lighter than it was in the 1940's — partly because of increases in food processing, partly because of changes in consumer tastes.
