

INFORMATION CONCERNING THE NEW POSTAL CODE SYSTEM

The Postal CODE is composed of both letters and numbers, in the form of ANA NAN, where "A" represents a letter of the alphabet, and "N" a number.

There is a space separating the first three characters, called Area Designator, from the last three, the Local Designator.

Once you have been given your Postal CODE, it is a permanent part of your address. Your Postal CODE will change only if you move.

WHY CHOOSE A CHARTERED ACCOUNTANT?

CAs have the **PROFESSIONAL TRAINING** - a combination of academic studies and practical experience - the **PROFESSIONAL STANDARDS** - of a self-governing profession that is aware of its public responsibilities - and the **RESOURCES** - both research and professional development programs that keep the profession up-to-date. It's only logical to choose a **chartered accountant** for **SERVICES** involving auditing; financial, management, and income tax advice; accounting systems; estate planning; or management consulting.

NOT ALL ACCOUNTANTS ARE CHARTERED. Although others offer these services to the public only those who have met the qualifying standards can, by law, be designated as chartered accountants.

CARPET HINT

Grease and soot stains on a carpet may be removed by sprinkling with salt and rubbing vigorously. Several applications may be necessary. Old stains may be lightened considerably by rubbing with a salt and water paste. To restore freshness, wipe with a cloth or sponge which has been dipped in strong salt solution and wrung out to remove excess moisture.

PAINTER'S TIP

Professional painters say the correct way to hold a brush is to grasp it comfortably near the handle base. Don't bear down on the brush. Just exert enough pressure to make the bristles flex slightly toward the tip.
