SAVE ON FOIL

Use aluminum foil to line a small baking pan for oven-baked chicken. Saves on washing up and economical too when the same foil is used to wrap the baked chicken for storage in the refrigerator. Use in the same way for baking fish.

When you are not sure of a number, it is always better to refer to the directory.

GARLIC ANYONE?

For those who like only a slight hint of garlic in salads, toss a clove of garlic into a bottle of vinegar. A delightful homemade garlic vinegar is on hand for salad dressings without messy preparation from garlic buds.
