GOING TO MOVE?

Don't forget the house you're
leaving behind.

Here are some helpful hints.

1. See that all utilities have been disconnected or shut off (gas, electric, telephone, etc.)
2. Notify the milkman, paper boy or others who have been delivering to you regularly.
3. Notify the Post Office of your change of address.
4. Notify your insurance companies and secure records of transfer from school, church, bank, etc.
5. When you're in your new location have your change of address noted on your driver's license and automobile registration certificate.

FURNITURE STAIN REMOVER

If you have a piece of heat-stained
furniture, apply a thin paste of salt
and salad oil. Let stand for an hour,
then remove. Unless the stain has
really penetrated the grain of the
wood, it will respond to this
treatment.
