MORE INSTANT COFFEE USED

Canadians are drinking less coffee, or at least using fewer beans, than in the late 1940's. Part of the drop is due to introduction of instant coffee during the 1950's. Instant products now make up nearly one-fifth of total coffee consumption.

OCKERT'S HOME CLEANERS

SPECIALIZING IN CARPET & UPHOLSTERY CLEANING WALL TO WALL & SHAGS

There Is Only ONE Way To Clean Your Carpets

THE "Professional" WAY

COLD RINSE
 EXTRACTION

WHY? Because:

a) We believe that you MUST 'WASH' first
 (and our special shampoos are gentle,
 have germicides and color brighteners)

AND:

b) You MUST then rinse it clean
 (our second step does just that)

DO NOT PULL OUT

If you are stung by an insect that leaves a noticeable stinger, do not attempt to pluck it out as this will only force the remaining venom into the system.
