In these busy days when saving
time is so important, more and
more telephone users are following
the thoughtful way of answering
the telephone: "Harry Smith
speaking." Such an introduction
establishes identity, saves time
and makes a good impression.

MARBLE STAINS

Most stains on marble are removed
best with the application of a poultice.
To make a poultice, soak a piece of
white blotting paper, white napkin,
white cleansing tissue, or commercial
whiting in one of the following solu-
tions: for organic stains, use ammonia
or hydrogen peroxide in hair bleach
strength; for oily stains, an amyl
acetate or acetone solvent.
