4 GOOD REASONS FOR HANDLING COMPLAINTS BY LONG DISTANCE

You can talk over matters at once
promptness often prevents loss of a
customer.
You can build closer relations with
customers.
You can use tact in delicate situations.
And because men talk more freely
than they write, you can frequently
trace the real reason for the com-
plaint and prevent similar complaints
in the future.

SHORTENS LIFE

Repeated pressing of creases in
the same place in linen napkins
and tablecloths may break the
thread and shorten the life of
the linens.

Behind on orders? Let
handy YELLOW PAGES
introduce the suppliers
you need. It's fast convenient.

Wise buyers say
there's nothing like the
YELLOW PAGES of your
telephone book for getting
in touch with almost every-
one around who sells
things, fixes things, does
things. Try the YELLOW
PAGES once . . . you'll use
them often.
