SCRATCHED WOODWORK
One way to repair deeply scratched woodwork is by filling the scratches with a mixture of fine sawdust and spar varnish. After this filling has hardened completely, smooth it down with fine sandpaper.

SURVIVAL KIT

Make your own winter survival kit from things around the house. A flashlight, shovel, gloves, blanket, scraper and brush, matches and a candle should be included. It is also a good idea to pack flares, booster cables, traction pads and a first-aid kit.
