**4 GOOD REASONS FOR
 HANDLING COMPLAINTS
 BY LONG DISTANCE**

You can talk over matters at once.
 Promptness often prevents loss of a
 customer.

You can build closer relations with
 customers.

You can use tact in delicate situations.

And because men talk more freely
 than they write, you can frequently
 trace the real reason for the com-
 plaint and prevent similar complaints
 in the future.

**4 GOOD REASONS FOR
 HANDLING COMPLAINTS
 BY LONG DISTANCE**

You can talk over matters at once. Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Two friendly telephone habits . . . quick to answer when your telephone rings; SLOW to hang up when you call someone who does not immediately respond. When calling others, remember that the called person may be almost there . . . so wait a few seconds longer.
