Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

SAFETY FIRST

Always let the cold tap run for a few seconds before placing your child in the tub...then if he accidentally turns on the tap, he won't scald himself.

**4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE**

You can talk over matters at once.
Promptness often prevents loss of a customer.

You can build closer relations with customers.

You can use tact in delicate situations. And because men talk more freely than they write, you can frequently trace the real reason for the complaint and prevent similar complaints in the future.

Put more sell in your selling day — with an advertisement in the Yellow Pages, you can reach more prospective customers by advertising in this handy buyer's guide. Thousands of people regularly use the Yellow Pages as an answer to their buying needs. If you have a product to sell, or a service to offer, here's the place to tell your prospects about it.

PUT OUT THE WELCOME MAT

It's a fact . . . 96 out of 100 people turn to the Yellow Pages when they're ready to buy. If they're looking for you, don't disappoint them. Welcome them with your advertising message under every proper heading and watch your sales grow.

SURVIVAL KIT

Make your own winter survival kit from things around the house. A flashlight, shovel, gloves, blanket, scraper and brush, matches and a candle should be included. It is also a good idea to pack flares, booster cables, traction pads and a first-aid kit.

ADDITIONAL LISTINGS

... for the growing-up son or daughter, for the relative or friend who lives under your roof...what nicer thought than a separate listing in the Telephone Book?
