People who are ready to buy turn first to the Yellow Pages. If you have something to sell or a service to offer, here's the place to tell about it. The "Yellow Pages" places your name, address and telephone number before the buyer at the very moment he wants your product or service. Call the business office for information.

STAINS PHONE

Take care when using a ball-point
pen near your telephone, especially
if it is a light colored one. Ink on the
plastic cover or the cord leaves a
permanent mark.

IT'S IN YOUR BEST INTEREST TO CHECK FIRST

If you plan to build or have
to excavate, you can avoid
accidental damage to cables by
checking first.

Before digging starts, Dial "0"
Zero & ask for Zenith 07128
(No Toll Charge)

For your own protection and
your neighbours', it pays to
make sure you are on "safe
ground." A severed cable may
put hundreds of telephones out
of service.

OVER A BARREL...

mr. businessman?

... about how to tell your sales
story at the very moment people
want to buy what you sell?

Here's how! Put your sales
story in these **YELLOW PAGES**,
where more than 90% of your
prospects look when they're
ready to buy!

Have the right number
when you call. It's natural
to trust to memory but
when memory plays tricks
with a telephone number,
you're delayed. When you
are not sure of a number
won't you look it up in the
telephone directory?
