Don't forget to plan for
concealed telephone conduit
and convenient locations
for telephone outlets
when you build your new
home. These built-in tele-
phone facilities add real
value to a home yet their
cost is very small if they
are installed during
construction.

LONG DISTANCE

is one of your most effective
 business communication tools.
 Reach more people, more often
 more efficiently -
 reach for the phone.

Telephone service is a friendly
 service. The people who op-
 erate and maintain it take a
 genuine satisfaction in serving
 you pleasantly and well. People
 who use the telephone a great
 deal find that friendliness is an
 instinctive habit. The telephone
 helps folks to know each other
 better.
