Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home yet their cost is very small if they are installed during construction.

Weather shouldn't worry you
 When a shopping trip is due.
 You can shop and yet be dry
 When Yellow Pages are near-
 by.

The best in technology backed by the best in service

Call on AGT Business Systems for state-of-the-art voice and data business communications equipment and a range of service and maintenance packages unmatched in Alberta.

Fast, province-wide response by highly-trained, professional service technicians. Predictable, clearly-explained charges. And the same concerned attention whether your voice and data equipment came from AGT or not.

AGT's flexible range of service packages take the "surprise" out of emergency repairs or regular maintenance.

Call on AGT Business Systems... for the system and service your company needs now.

4 GOOD REASONS FOR
HANDLING COMPLAINTS
BY LONG DISTANCE

You can talk over matters at once.
Promptness often prevents loss of
a customer.

You can build closer relations with
customers.

You can use tact in delicate situa-
tions. And because people talk more
freely than they write, you can fre-
quently trace the real reason for the
complaint and prevent similar com-
plaints in the future.

Put more sell in your selling
day — with an advertisement
in the Yellow Pages, you can
reach more prospective cus-
tomers by advertising in this
handy buyer's guide. Thou-
sands of people regularly
use the Yellow Pages as an
answer to their buying needs.
If you have a product to
sell, or a service to offer,
here's the place to tell your
prospects about it.
